SKILLS

Tools	Design Skills	Software Development
Figma Adobe Creative Suite Visual Studio Hootsuite	Visual Design Wireframing & Prototyping User Journeys & Flows Storyboarding	HTML/CSS/JS GitHub Bootstrap Java

WORK EXPERIENCE

Simon Fraser University Graduate Studies

AUG 2023 - AUG 2024

Communications and Marketing Associate | Full time Co-op

- Managed and updated web content in Adobe Experience Manager (AEM) and HTML/CSS, improving accuracy of academic/job postings.
- Redesigned internal forms in InDesign, adding interactive textboxes and aligning with updated brand guidelines.
- Produced digital and print assets (banners, posters, social graphics) supporting campus-wide outreach.
- Revamped the Canvas orientation course layout & graphics, improving onboarding for 1,000+ graduate students annually.
- Recreated an HTML-based profile generator, enabling 100+ student profiles; tool remains in active use.

PROJECTS

FLUI Design Hackathon - Banana Art Lab

FEB 2025

UI/UX Designer | Client-Based Project

- Redesigned website booking system and navigation in a 3-day hackathon, aligning with brand identity.
- Delivered moodboards, wireframes, mockups, and illustrations using Figma.

Jadeco

SEP - DEC 2024

UX Researcher & Graphic Designer | Client-Based Academic Project

- Conducted field research on jade retail presentation in Vancouver.
- Created journey maps, storyboards, and a brand video, aligning strategy with local market.

Caring Connections

NOV - DEC 2024

Game Visual Designer | Academic Project

- Designed the visual layout for all game cards and boards, including custom icons and tokens, with a cohesive tone.
- Co-designed game mechanics, edited the trailer video, and visually engaging rulebook for clearer gameplay.

Tatreez

FEB - APR 2023

UI/UX Designer | Academic Project

- Designed a web-based cross-stitch app in Figma for beginner and advanced users.
- Refined through user testing & heuristic evaluation; mapped user flows and interactions.

EDUCATION

Simon Fraser University

JAN 2021 - MAY 2025

Interactive Arts and Technology, BSc.

- Co-operative Education
- Concentration in Design and Interactive System

Languages

- Korean - Fluent
- English - Proficient
