SUMMARY

UX/UI Designer with a background in Interactive Arts & Technology and one year of full-time experience supporting large-scale university communications. Experienced in user research, wireframing, prototyping, and front-end implementation using Figma, Adobe Creative Suite, AEM, and HTML/CSS. Designed and maintained digital experiences serving 1,000+ students, with a focus on accessibility, clarity, and user-centered design.

SKILLS

Design Tools

- Figma
- Adobe Creative Suite
- Adobe Experience Manager

Development

- HTML/CSS/JavaScript
- Bootstrap
- Visual Studio Code
- Git

UX/UI Methods

- User Research
- Wireframing & Prototyping
- User Journey Mapping
- Usability Testing

Visual/Graphic Design

- Illustration
- Storyboarding
- Layout Design
- Video Editing

WORK EXPERIENCE

Simon Fraser University Graduate Studies

Communications and Marketing Associate | Aug 2023 - Aug 2024

- Managed and updated university web pages using Adobe Experience Manager and HTML/CSS, ensuring content accuracy and brand consistency
- Redesigned internal digital forms in InDesign, improving usability and reducing manual processing inefficiencies
- Produced digital and print assets (web banners, posters, social graphics) supporting campus-wide initiatives
- Revamped the Canvas orientation interface and layout, enhancing onboarding experience for 1,000+ graduate students annually
- Refactored and documented an internal HTML-based profile generator, enabling the team to efficiently create 100+ student profile pages; tool remains in use beyond co-op term

PROJECTS

FLUI Design Hackathon - Banana Art Lab

UI/UX Designer | Feb 2025

- Redesigned the booking flow and navigation system within a 3-day sprint, improving clarity and reducing user friction.
- Delivered moodboards, wireframes, and interactive Figma prototypes aligned with the client's brand identity and business goals.

Jadeco

UX & Branding | Sep - Dec 2024

- Conducted field research and developed user journey maps to identify gaps in Vancouver's jade retail experience.
- Proposed a localized branding and digital experience strategy supported by storyboards and a brand video.

Caring Connections

Game Visual Designer | Nov - Dec 2024

- Designed a cohesive visual system including cards, boards, and iconography to support gameplay clarity.
- Collaborated on rulebook writing and promotional materials to ensure an engaging and intuitive player experience.

Tatreez

UI/UX Designer | Feb - Apr 2023

- Designed a cross-stitch web application in Figma, creating user flows and high-fidelity prototypes for beginner and advanced users.
- Refined interface decisions through usability testing and heuristic evaluation.

EDUCATION

Simon Fraser University

JAN 2021 - MAY 2025

Interactive Arts and Technology, BSc.

- Co-operative Education
- Concentration in Design & Interactive Systems

LANGUAGES

- Korean
- English
